National Priorities Addressed

Issue Questions	Responses
If the application is for development of a Conservation Activity Plan (CAP), the agency will assign significant ranking priority and conservation benefit by answering "Yes" to the following question. Answering "Yes" to question 1a will result in the application being awarded the maximum amount of points that can be earned for the national priority category.	
1. a. Is the program application to support the development of a Conservation Activity Plan (CAP)? If answer is "Yes", do not answer any other national level questions. If answer is "No", proceed with evaluation to address the remaining questions in this section.	Yes <input type="radio"/> or No <input type="radio"/>

State Issues Addressed

Issue Questions	Responses
Answer any of the following questions (1-2), as applicable.	
1. Is the primary purpose of the project to improve habitat for a plant or wildlife species that is currently categorized as a State Species of Concern, or a Federal Candidate or Proposed species?	Yes <input type="radio"/> or No <input type="radio"/>

Yes <input type="radio"/> or No <input type="radio"/>
Answer only ONE of the following questions (3-5), as applicable.
